

■ Fits of cop_0191 between the 1% and 99% quantiles (980 of 1000; 20 outside not shown; 449 of 1000 converged)

— US benchmark, theta of beta1[0,1] = 4.804

- - - Median over all fits, theta of beta1[0,1] = 3.646

- - - Averaged parameter set used for the IRF, theta of beta1[0,1] = 4.108
